

Computer Communications @ Good Shepherd Lutheran Church

Computer Communications @ Good Shepherd Lutheran Church is designed to keep you in touch even when you can't make it to a weekly service. CCGSLC will ensure that weekly bulletins, newsletters and happenings at Good Shepherd are emailed to your computer every week. When it happens at Good Shepherd, you'll be in the know. Please complete the below information with your current email address. If you are with an email carrier that requires you to allow acceptance from certain entities, please be sure to permit access from "CCGSLC@GSLCELCA.org". If your system does not allow attachments, please be sure to adjust your settings to allow attachments. If your email address is rejected for whatever reason, you will automatically be removed from the mailing list. You will then need to complete another CCGSLC form in order to continue to receive updates.
