

# G.I.F.T.S. FORM

*Growing in Faith Through Service*

Each of us is like a gift package from God. Inside this package are many treasures. The combination of elements is so unique that not one of us has ever been replicated. Our giftedness includes our personality, interests, experiences, hopes, dreams and passions. These gifts were given to us to enjoy and to meet the needs of a very diverse world.

This survey has two purposes:

- #1- To help members identify their gifts from a list of abilities, interests, experiences, passion and personal styles.
- #2 To create a resource bank for inviting members into ministries.

"Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received" 1 Peter 4:10
